MEMORANDUM

24 March 1948

TO : DOPC

FROM : TRS

SUBJECT: CIC Training at Camp Holabird

25X1A9a 1. I have had copies made of your memorandum on CIC
25X1A9a Training at Camp Holabird for our files and for forwarding
to [REDACTED] I also requested [REDACTED] to comment on the 25X1A9a
CIC course, comparing it with what he now gives and is pre-
pared to give. Your original memorandum and [REDACTED] comments
are attached.

25X1A9a 2. Some months ago both [REDACTED]
visited Holabird and were not particularly impressed with the
calibre of the instructors and the training they gave. It may
well be that their course has improved and that some of our
people would benefit from taking training there; however, I
25X1A9a believe that [REDACTED] plus the experts in C&D and Communications
are capable of giving much more operationally useful work in
all aspects of offensive and defensive use of investigative
procedures.

3. What I should like to explore, however, is the
possibility that one or two of my instructors could be permitted
to take the complete course at Holabird, either as CIA repre-
sentatives or as Reserve Officers recalled for a short tour
of temporary training duty. I should like to discuss this
with you.
